Total participants expected: 350

This is the Biggest International Championship ever organized and is going to be the historical event as well.

This year's championship will be more meaningful because it will be held in conjunction with his Royal Highness DYMM Tuanku Raja of Perlis 68th Birthday Celebration.

In the 7th Asian Cup Woodball Championship, other than usual Team and Singles Events, we are introducing Mixed Double, fairway competition and Youth event also.

In the 15th Malaysia Woodball International Open Championship, we also include senior age (60 above) event.

With the above competition line up, it covers all age group in line with the objective" sports for all"

This is the 1st time the fairway competition is to be held at night in public would certainly draw big crowd to watch the competition take place.

We also offer attractive Cash Prize for winning awards and gate in one.

Come and join us and watch the spectacular World Class Woodball Championship!
